

FOREWORD

It's that time, fall is here and the cool air is getting things moving. It's time to prepare for another winter of playing inside with your stamps and reorganizing that stamp room for many more hours of enjoyment.

Here at R. Maresch & Son we've been busy lotting up our fall sale. Consignments for this sale came in from over 100 different owners and estates. They range from single stamps to worldwide stocks that arrived in over 50 suitcases. The shelves are full and there are plenty of large lots to look at, so we suggest you leave plenty of time to view. We're also happy to welcome the addition of Rob Perfect to our staff, he has been an invaluable help in lotting and describing this auction.

We added the on line bidding feature for the July auction sale and were pleasantly shocked as to the large quantity of bids placed by that means. For those of you that haven't used it please remember to sign up at SAN <http://stampauctionnetwork.com> and register to bid. It's quick and easy and allows you to look at the descriptions and pictures of the lots, many of which are photographed only on line. We urge everyone to send us their bids this way or by EMAIL (bids@maresch.com) or FAX (toll-free in North America 1-855-363-6511, locally 416-363-6511), PHONE (toll-free in North America 1-800-363-0777, locally 416-363-7777) as they reach us immediately without delay.

In this sale we have three sessions starting on Wednesday evening with Canada from large lots to the end of the Admirals including Postal History and covers, Pence and Cents Issues, Proofs, Large Queens, Louis Riel Essay, Canada Bank Note Engraving & Printing Co Essays, Small Queens, Jubilees including complete sets of Plate Proofs, plus many singles never hinged and very fine or better.

The second session starts Thursday afternoon with 1917 to modern plus back of the book including Proofs, Imperforates, Registered, complete sheets including 20¢ olive green with diagonal WAR TAX overprint, Revenues, etc. It also includes Canadian Provinces with British Columbia and Vancouver Island, New Brunswick including One Shilling bright red violet unique quadruple domestic rate cover and Newfoundland including One Penny reddish brown error of colour, Plate Proofs, etc. plus Great Britain.

The third session begins with British Commonwealth including Boer War covers, Rhodesia including double heads, etc., and continues with worldwide material including stocks to complete collections neatly mounted in hingeless albums, Topicals, China, Iceland, Japan, Korea, Zemstvo (Russian locals), USA etc., plus many better individual items.

We would be most pleased to include your stamps in our auctions, and we are only a phone call away. Please use our convenient toll-free consignment hotline at 1-800-363-0777 to discuss any future plans you may have for selling your collection. We look forward to hearing from you.

We are a family-run firm helping philatelists since 1924.

We would like to take this time to wish all of you an early, safe and joyous holiday season, Merry Christmas and a Happy New Year. We look forward to seeing you at the coming sale any many future sales to come.

TERMS OF SALE

1. **ALL LOTS IN THIS AUCTION ARE OFFERED WITHOUT RESERVE.** All bids are per lot as described in this catalogue. The right is reserved to withdraw any lot prior to sale, to divide a lot, or to group two or more lots belonging to the same vendor. The auctioneer shall regulate the bidding on the floor. The auctioneer reserves the right to reject any bid. In the event of any dispute, his decision shall be final.
2. The highest bidder shall prevail at one advance over the next highest bidder. Tie bids shall go to the first received. **A BUYER'S PREMIUM OF 15% WILL BE ADDED TO THE HAMMER (SELLING) PRICE AND BECOMES PART OF THE TOTAL PURCHASE PRICE.**
3. Successful FLOOR BIDDERS must pick up their lots or arrange for delivery immediately after the sale. **PAYMENT IS DUE AT THIS TIME.** MAIL BIDDERS known to us may have their lots forwarded for payment within three days. Others will receive an invoice immediately after the sale and must make remittance before lots are sent. Overdue accounts will be billed a 3% service charge per month. Lots not picked up and paid for after 30 days may at our discretion, be re-offered in the next available auction. Ownership shall not pass to the buyer until full payment has been received.
4. Shipping and handling are charged to the account of the buyer. Shipments to Canada will be sent by Expedited parcel, to USA by Tracked Packet-USA or Xpresspost USA, all other destinations up to 500g will be sent by registered mail, larger parcels by Xpresspost International, Tracked packet International where available, or by Priority Worldwide, or comparable secured methods.
5. In our opinion, all lots are as described. If a prospective purchaser wishes to obtain another expert opinion - acceptable to us - on a lot (not including mixed lots or collections containing undescribed stamps), he must request an extension in writing **before** the auction (on the bid sheet is acceptable). Lots sold under this condition shall be held open for up to 120 days, after which the lot will not be returnable for any reason. **Items that already have certificates are sold on the basis of those certificates (unless otherwise stated in the description). Buyers wanting to place a lot on extension for a different certificate must discuss that with us BEFORE the auction to obtain approval to bid on that basis.** Expenses for certificates shall be borne by the purchaser. If a negative opinion is received within the 120 days, the purchase price will be refunded in full, and the expertising fee (to a maximum of \$40) will be paid by us. All lots sent on extension must be paid for under our normal terms. The inability of an expert committee to render an opinion on a lot is insufficient grounds for its return.
6. Claims for errors in description, including condition, must be made within 7 days after receipt, but no later than 45 days after the auction. Stamps returned must be in the state received and must be sent by registered mail or bonded courier. Lots back stamped, marked or encapsulated by experts or expert committees are not returnable. It is the purchaser's responsibility not to let this happen. Stamps described as having defects are not returnable on account of their condition. No lots may be returned by bidders who have had an opportunity to examine, or an agent, view them on their behalf before the sale, nor any stamps which have been photographed for perforations, centering, margins or cancellations. All stamps photographed in colour are reproduced with extreme care as to accuracy of colour and shade, however stamps photographed in colour may not be returned because of shade differences between the lot and photograph.
7. All lots are sold in **CANADIAN FUNDS.** Lots picked up in Ontario will be charged H.S.T., lots delivered in Canada will be charged the appropriate G.S.T. or H.S.T. For the convenience of our American clients, U.S. funds will be accepted at a rate of exchange to be determined by the auctioneer and announced at the opening of the sale. If you wish to pay in U.S. funds, please pay the amount stated on your invoice.
8. **QUALITY RATINGS.** Superb, extremely fine, very fine, fine to very fine, fine, very good, and good. The word ALMOST preceding the quality rating - as for example in "almost very fine" - means that the quality is better than fine but not quite very fine.
9. **CATALOGUE NUMBERS AND VALUES** used are from the most currently available edition of Scott's standard postage stamp catalogue, and are quoted in US dollars. For B.N.A. material, numbers and values are from the current edition of the Unitrade Canada Specialized Catalogue and are in Canadian dollars, with appropriate premiums. When we catalogue a collection we omit all obviously faulty, damaged, faked or forged stamps; our count of the stamps and catalogue value will be a conservative calculation. Owners sometimes catalogue every stamp or portion thereof, regardless of quality. We accept no responsibility for these valuations. Errors may occur nevertheless and (in spite of all our careful work) all collections are sold "as is".
10. **AGENTS BIDDING ON BEHALF OF OTHERS** If you have complicated bids to be executed or wish an outside opinion as to the value and condition of a lot we shall be pleased to furnish a list of agents. If you instruct your agent to bid on the basis of our descriptions, we presume that he has inspected the lot and agrees with our description in executing your bid. **Agents must register their bidders and obtain approval before our sales start.**
11. This sale is conducted by and for the account of R. Maresch & Son Auctions Limited.
12. THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF THESE TERMS OF SALE.
