TERMS OF SALE

1. **ALL LOTS IN THIS AUCTION ARE OFFERED WITHOUT RESERVE.** All bids are per lot as described in this catalogue. The right is reserved to withdraw any lot prior to sale, to divide a lot, or to group two or more lots belonging to the same vendor. The auctioneer shall regulate the bidding on the floor. The auctioneer reserves the right to reject any bid. In the event of any dispute, their decision shall be final.
2. The highest bidder shall prevail at one advance over the next highest bidder. Tie bids shall go to the first received. **A BUYER'S PREMIUM OF 18% WILL BE ADDED TO THE HAMMER (SELLING) PRICE AND BECOMES PART OF THE TOTAL PURCHASE PRICE.**
3. Successful FLOOR BIDDERS must pick up their lots or arrange for delivery immediately after the sale. PAYMENT IS DUE AT THIS TIME. MAIL BIDDERS known to us may have their lots forwarded for payment within three days. Others will receive an invoice immediately after the sale and must make remittance before lots are sent. Overdue accounts will be billed a 3% service charge per month. Lots not picked up and paid for after 30 days may at our discretion, be re-offered in the next available auction. Ownership shall not pass to the buyer until full payment has been received.
4. Shipping and handling are charged to the account of the buyer. Shipments to Canada will be sent by Expedited parcel, to USA by Tracked Packet-USA or Xpresspost USA, all other destinations up to 500g will be sent by registered mail, larger parcels by Xpresspost International, Tracked Packet International (where available), or by Priority Worldwide, or comparable secured methods.
5. In our opinion, all lots are as described. If a prospective purchaser wishes to obtain another expert opinion - acceptable to us - on a lot (not including mixed lots or collections containing undescribed stamps), they must request an extension in writing **before** the auction (on the bid sheet is acceptable). Lots sold under this condition shall be held open for up to 120 days, after which the lot will not be returnable for any reason. **Items that already have certificates are sold on the basis of those certificates (unless otherwise stated in the description). Buyers wanting to place a lot on extension for a different certificate must discuss that with us BEFORE the auction to obtain approval to bid on that basis.** Expenses for certificates shall be borne by the purchaser. If a negative opinion is received within the 120 days, the purchase price will be refunded in full, and the expertising fee (to a maximum of \$50) will be paid by us. All lots sent on extension must be paid for under our normal terms. The inability of an expert committee to render an opinion on a lot is insufficient grounds for its return.
6. Claims for errors in description, including condition, must be made within 7 days after receipt, but no later than 45 days after the auction. Stamps returned must be in the state received and must be sent by a signature mail service or bonded courier. Lots that have been back stamped, marked or encapsulated by experts or expert committees are not returnable. It is the purchaser's responsibility not to let this happen. Stamps described as having defects are not returnable on account of their condition. No lots may be returned by bidders who have had an opportunity to examine, or an agent, view them on their behalf before the sale, nor any stamps which have been photographed for perforations, centering, margins or cancellations. All stamps photographed in colour are reproduced with extreme care as to accuracy of colour and shades, however stamps photographed in colour may not be returned because of shade differences or centering between the lot and photograph.
7. All lots are sold in **CANADIAN FUNDS**. Lots picked up in Ontario will be charged H.S.T., lots delivered in Canada will be charged the appropriate G.S.T. or H.S.T. For the convenience of our American clients, U.S. funds will be accepted at a rate of exchange to be determined by the auctioneer and announced at the opening of the sale. If you wish to pay in U.S. funds, please pay the amount stated on your invoice.
8. **QUALITY RATINGS:** Superb, extremely fine, very fine, fine to very fine, fine, very good, and good.
9. **CATALOGUE NUMBERS AND VALUES** used are from the most currently available edition of Scott's Standard Postage Stamp Catalogue and are quoted in US dollars. For B.N.A. material, numbers and values are from the current edition of the Unitrade Canada Specialized Catalogue and are in Canadian dollars, with appropriate premiums. When we catalogue a collection, we omit all obviously faulty, damaged, faked or forged stamps; our count of the stamps and catalogue value will be a conservative calculation. Owners sometimes catalogue every stamp or portion thereof, regardless of quality. We accept no responsibility for these valuations. Errors may occur nevertheless and (in spite of all our careful work) all collections are sold "as is".
10. **AGENTS BIDDING ON BEHALF OF OTHERS:** If you have complicated bids to be executed or wish an outside opinion as to the value and condition of a lot we shall be pleased to furnish a list of agents. If you instruct your agent to bid on the basis of our descriptions, we presume that they have inspected the lot and agree with our description in executing your bid. **Agents must register their bidders and obtain approval before our sales start.**
11. This sale is conducted by and for the account of R. Maresch & Son Auctions Limited.
12. THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF THESE TERMS OF SALE.

AUCTION CATALOGUES AND PRICES REALIZED. If you wish to continue to receive our catalogues and prices realized, please subscribe or you may be removed from our list.

The entire Maresch family and staff would again like to wish everyone a Happy New Year.

This catalogue is part two of our Spring sale, the first part being the Proofs and Essays of the late Richard Sheryer.

Our November auction continued the consistently successful trend we have seen here at Maresch regardless of the COVID pandemic. We continue to see many strong and record realizations throughout. The market right now is very 'collector-driven' and whether it's stamps, proofs or postal history, the bids are still there for specialized collections, and any quality and above-average material. This seems to be true for most regions of the world especially Canada and Provinces, British Commonwealth, and the United States. The last sale brought over 135% of our pre-sale estimate, so the demand overall is quite strong.

This general sale has a wide range of over 60 owners from estates to downsizers. This sale offers numerous lots of Canadian varieties, Postal History, Large and Small Queens, Admirals including Lathework, Newfoundland and Provinces, plus lots of Worldwide larger lots and collections and many Christmas topical lots and collections from all regions of the world.

We will be open again for viewing during our normal week and a half plus the Saturday for in house viewing. Earlier viewing by appointment can be arranged for out-of-town customers. We have lots of nice material for every collecting taste, there is plenty of viewing room for out-of-town collectors and dealers and everything will be sold at UNRESERVED PUBLIC AUCTION. Please come and see us.

COVID is still an issue, even with many people being vaccinated. However, we have been notified by the Mississauga Stamp show, ORAPEX and CANPEX that all things are at this time going forward as planned.

If you have stamps or other philatelic material to sell, we would be delighted to help. Proper preparation, description and advertising are necessary in order for you to obtain top prices for your material when selling at auction. Let us help you by allowing ample time to properly present your treasures in one of our world-class public auctions. All it takes is a simple call or email to discover how straightforward and profitable we can make the process of selling at auction for you. We look forward to hearing from you.

We hope everyone had a nice safe holiday with friends, family and loved ones.

We are all looking forward for the upcoming CAPEX22 Stamp Show June 9-12, 2022, and the Fred Fawn Auction Friday June 10, 2022. We hope to see many of you at our booths 711 and 713. Please make your arrangements for accommodations as soon as possible. You can visit the CAPEX22 website for further information at <https://capex22.org/>
