On February 28, 1924, my grandfather, Dr. Richard A R Maresch, received his stamp dealers license for 75000 Austrian Kroner. We are happy to be celebrating our 100th anniversary as a business.

This auction will be held over two days live at Stamp Auction Network. We will not be having floor bidding, but in house viewing will be held the full week before including Saturday, and the two days prior to the auction. This sale offers many lovely items from the properties of over 75 different owners and estates, some who have been customers for over 60 years. Many of the lovely items in the sale were previously bought from our auctions including some from better names sales we have had over the years, including the Bill Simpson Small Queens. Some of the items from Mr. Paul Barker, who exhibited in the 1996 CAPEX Court of Honour, and had items featured in the Gems of Canadian Philately Handbook by Charles Firby.

Day One will start with Canada collections and large lots. A large Canadian Postal History section including the wonderful collection specializing in Ontario County collection of split ring town cancels. This will be the first half of the collection, Algoma District to Lincoln County including Northern Ontario, with many on covers with the earliest recorded (ERD) or the latest recorded (LRD) dates.

The day will continue with Proofs, Pence, Cents with a specialized grouping of 1859s with 10¢ Prince Consort by printing order on cover, and a lot of 12½¢ plate study, Large and Small Queens, Jubilees, George V with many **IMPERFORATE** and **PART IMPERFORATES**, with a great section of Scroll issue lots including many imprint pieces, a set of upper sheet margin **TETE-BECHE IMPERFORATE** booklet panes of 12, and George VI **IMPERFORATE** Plate blocks. Followed with Elizabethan **IMPERFORATES**, as well as perf shifts, missing colours, etc.

Day Two we will be continuing with Canada, starting with the back of book issues, with complete booklets, Airmails, Semi-Official Airmails, Special Deliveries, Officials, Revenues, and Provinces. We will continue with British Commonwealth including Australia, and Worldwide including Topicals, Austria, France, Germany and States, Italy, Portugal and Colonies, Switzerland, and USA with early used as well as Proofs, and Trans-Mississippi **ESSAYS**, Zeppelin Airmails.

The entire sale offers a large number of larger lots, plus many Revenue lots scattered throughout, our shelves are full again. Please allow ample time to come in and view the numerous larger lots. Your efforts will be rewarded.

VIEWING: We are open to the public for viewing Monday March 4, 2024, to Saturday March 9, 2024, and Monday March 11, 2024, to Tuesday March 12, 2024 from 10:00 am to 5:00 pm. Earlier viewing by appointment only.

Start times are 10:00 AM EST, with a 30-minute break at 1:00 PM EST and another at 5:00 PM if necessary.

Our auctions are held in Canadian \$. Invoices for customers with living outside of Canada will also have the \$ US amount at the rate used on the day of the sale.

We are currently working on our next sale, with many nice collections including the used Canada Pence to George V of Robert McCall featuring 2-RING and 4-RING cancels, Large Queens with watermarks, etc. We are always looking for material in for our upcoming auctions. Please call to discuss how we may help. 905-726-2197 or email me at peter@maresch.com

This year we will again be attending ORAPEX May 4-5, both of The National Postage Stamp Shows in Mississauga April 6-7 and September 7-8, and CANPEX October 19-20. We would love to see you there, so please come by for a visit and to say hello.

Feel free to download a pdf copy of the sale from our website <https://www.maresch.com>

TERMS OF SALE

1. **ALL LOTS IN THIS AUCTION ARE OFFERED WITHOUT RESERVE.** All bids are per lot as described in this catalogue. The right is reserved to withdraw any lot prior to sale, to divide a lot, or to group two or more lots belonging to the same vendor. The auctioneer shall regulate the bidding on the floor. The auctioneer reserves the right to reject any bid. In the event of any dispute, their decision shall be final.
2. The highest bidder shall prevail at one advance over the next highest bidder. Tie bids shall go to the first received. **A BUYER'S PREMIUM OF 18% WILL BE ADDED TO THE HAMMER (SELLING) PRICE AND BECOMES PART OF THE TOTAL PURCHASE PRICE.**
3. Successful FLOOR BIDDERS must pick up their lots or arrange for delivery immediately after the sale. PAYMENT IS DUE AT THIS TIME. MAIL BIDDERS known to us may have their lots forwarded for payment within three days. Others will receive an invoice immediately after the sale and must make remittance before lots are sent. Overdue accounts will be billed a 3% service charge per month. Lots not picked up and paid for after 30 days may at our discretion, be re-offered in the next available auction. Ownership shall not pass to the buyer until full payment has been received.
4. Shipping and handling are charged to the account of the buyer. Shipments to Canada will be sent by Expedited parcel, to USA by Tracked Packet-USA or Xpresspost USA, all other destinations up to 500g will be sent by registered mail, larger parcels by Xpresspost International, Tracked Packet International (where available), or by Priority Worldwide, or comparable secured methods.
5. In our opinion, all lots are as described. If a prospective purchaser wishes to obtain another expert opinion - acceptable to us - on a lot (not including mixed lots or collections containing undescribed stamps), they must request an extension in writing **before** the auction (on the bid sheet is acceptable). Lots sold under this condition shall be held open for up to 120 days, after which the lot will not be returnable for any reason. **Items that already have certificates are sold on the basis of those certificates (unless otherwise stated in the description). Buyers wanting to place a lot on extension for a different certificate must discuss that with us BEFORE the auction to obtain approval to bid on that basis.** Expenses for certificates shall be borne by the purchaser. If a negative opinion is received within the 120 days, the purchase price will be refunded in full, and the expertising fee (to a maximum of \$50) will be paid by us. All lots sent on extension must be paid for under our normal terms. The inability of an expert committee to render an opinion on a lot is insufficient grounds for its return.
6. Claims for errors in description, including condition, must be made within 7 days after receipt, but no later than 45 days after the auction. Stamps returned must be in the state received and must be sent by a signature mail service or bonded courier. Lots that have been back stamped, marked or encapsulated by experts or expert committees are not returnable. It is the purchaser's responsibility not to let this happen. Stamps described as having defects are not returnable on account of their condition. No lots may be returned by bidders who have had an opportunity to examine, or an agent, view them on their behalf before the sale, nor any stamps which have been photographed for perforations, centering, margins or cancellations. All stamps photographed in colour are reproduced with extreme care as to accuracy of colour and shades, however stamps photographed in colour may not be returned because of shade differences or centering between the lot and photograph.
7. All lots are sold in **CANADIAN FUNDS**. Lots picked up in Ontario will be charged H.S.T., lots delivered in Canada will be charged the appropriate G.S.T. or H.S.T. For the convenience of our American clients, U.S. funds will be accepted at a rate of exchange to be determined by the auctioneer and announced at the opening of the sale. If you wish to pay in U.S. funds, please pay the amount stated on your invoice.
8. **QUALITY RATINGS:** Superb, extremely fine, very fine, fine to very fine, fine, very good, and good.
9. **CATALOGUE NUMBERS AND VALUES** used are from the most currently available edition of Scott's Standard Postage Stamp Catalogue and are quoted in US dollars. For B.N.A. material, numbers and values are from the current edition of the Unitrade Canada Specialized Catalogue and are in Canadian dollars, with appropriate premiums. When we catalogue a collection, we omit all obviously faulty, damaged, faked or forged stamps; our count of the stamps and catalogue value will be a conservative calculation. Owners sometimes catalogue every stamp or portion thereof, regardless of quality. We accept no responsibility for these valuations. Errors may occur nevertheless and (in spite of all our careful work) all collections are sold "as is".
10. **AGENTS BIDDING ON BEHALF OF OTHERS:** If you have complicated bids to be executed or wish an outside opinion as to the value and condition of a lot we shall be pleased to furnish a list of agents. If you instruct your agent to bid on the basis of our descriptions, we presume that they have inspected the lot and agree with our description in executing your bid. **Agents must register their bidders and obtain approval before our sales start.**
11. This sale is conducted by and for the account of R. Maresch & Son Auctions Limited.
12. THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF THESE TERMS OF SALE.
