Our last sale was once again well attended online, with a large number of bidders, many new, both here in Canada and the rest of the world.

We are pleased to present our latest catalogue, the property of over 80 consignors and estates. This sale offers Canada including Postal History, Proofs, George V, more EFOs and imperforates and Provinces. The Great Britain section has many large specialty lots of early imperforate issues. British Commonwealth section with hundreds of country collections of mint from George V on to 2010s, as well as collections of earlier issues mostly used. The Worldwide offers Topicals, nice sections of Austria, Germany, and USA with many large intact collections.

This sale has is by far, the physically, largest we have ever offered, at over 6000kg combined. It offers properties of many show dealers, with many lots neatly priced and ready for resale. Every sale we recommend our customers to come in and allow ample time for viewing. This sale is no different, if anything, we would recommend coming in as early, and often as possible.

We will again be attending the National Postage Stamp & Coin Show April 5-6, 2025, and September 6-7, 2025, ORAPEX May 3-4, 2025, and CANPEX October 18-19, 2025. Please come by for a visit, say hello, and enjoy the shows. The other national shows we can recommend are the ROYALE 2025 FILEX April 25-26, 2025, at the Plaza Universel Hotel in Montreal, and The Quebec City Old Paper Show May 24-25, 2025, at Travelodge Hôtelet Centre de Congrès 3125 boul Hochelaga, Québec.

We are currently working on our next sale and if you are interested in selling some or all of your collections please let us know and we'll be happy to help. Our offices here in Aurora have the capacity to house the large estates we have been getting, many on multiple pallets. The time it takes to carefully go through them, and the sooner we receive them the quicker we can properly do so as some can be quite laborious.

Please call 416-363-7777 or email me at peter@maresch.com to discuss how we may help.

Peter Maresch

February 2025

TERMS OF SALE

1. **ALL LOTS IN THIS AUCTION ARE OFFERED WITHOUT RESERVE.** All bids are per lot as described in this catalogue. The right is reserved to withdraw any lot prior to sale, to divide a lot, or to group two or more lots belonging to the same vendor. The auctioneer shall regulate the bidding on the floor. The auctioneer reserves the right to reject any bid. In the event of any dispute, their decision shall be final.
2. The highest bidder shall prevail at one advance over the next highest bidder. Tie bids shall go to the first received. **A BUYER'S PREMIUM OF 18% WILL BE ADDED TO THE HAMMER (SELLING) PRICE AND BECOMES PART OF THE TOTAL PURCHASE PRICE IN OUR PUBLIC UNRESERVED AUCTION ONLY.**
3. Successful FLOOR BIDDERS must pick up their lots or arrange for delivery immediately after the sale. PAYMENT IS DUE AT THIS TIME. MAIL BIDDERS known to us may have their lots forwarded for payment within three days. Others will receive an invoice immediately after the sale and must make remittance before lots are sent. Overdue accounts will be billed a 3% service charge per month. Lots not picked up and paid for after 30 days may at our discretion, be re-offered in the next available auction. Ownership shall not pass to the buyer until full payment has been received.
4. Shipping and handling are charged to the account of the buyer. Shipments to Canada will be sent by Expedited parcel, to USA by Tracked Packet-USA or Xpresspost USA, all other destinations up to 500g will be sent by registered mail, larger parcels by Xpresspost International, Tracked Packet International (where available), or by Priority Worldwide, or comparable secured methods.
5. In our opinion, all lots are as described. If a prospective purchaser wishes to obtain another expert opinion - acceptable to us - on a lot (not including mixed lots or collections containing undescribed stamps), they must request an extension in writing **before** the auction (on the bid sheet is acceptable). Lots sold under this condition shall be held open for up to 120 days, after which the lot will not be returnable for any reason. **Items that already have certificates are sold on the basis of those certificates (unless otherwise stated in the description). Buyers wanting to place a lot on extension for a different certificate must discuss that with us BEFORE the auction to obtain approval to bid on that basis.** Expenses for certificates shall be borne by the purchaser. If a negative opinion is received within the 120 days, the purchase price will be refunded in full, and the expertising fee (to a maximum of \$50) will be paid by us. All lots sent on extension must be paid for under our normal terms. The inability of an expert committee to render an opinion on a lot is insufficient grounds for its return.
6. Claims for errors in description, including condition, must be made within 7 days after receipt, but no later than 45 days after the auction. Stamps returned must be in the state received and must be sent by a signature mail service or bonded courier. Lots that have been back stamped, marked or encapsulated by experts or expert committees are not returnable. It is the purchaser's responsibility not to let this happen. Stamps described as having defects are not returnable on account of their condition. No lots may be returned by bidders who have had an opportunity to examine, or an agent, view them on their behalf before the sale, nor any stamps which have been photographed for perforations, centering, margins or cancellations. All stamps photographed in colour are reproduced with extreme care as to accuracy of colour and shades, however stamps photographed in colour may not be returned because of shade differences or centering between the lot and photograph.
7. All lots are sold in **CANADIAN FUNDS**. Lots picked up in Ontario will be charged H.S.T., lots delivered in Canada will be charged the appropriate G.S.T. or H.S.T. For the convenience of our American clients, U.S. funds will be accepted at a rate of exchange to be determined by the auctioneer and announced at the opening of the sale. If you wish to pay in U.S. funds, please pay the amount stated on your invoice.
8. **QUALITY RATINGS:** Superb, extremely fine, very fine, fine to very fine, fine, very good, and good.
9. **CATALOGUE NUMBERS AND VALUES** used are from the most currently available edition of Scott's Standard Postage Stamp Catalogue and are quoted in US dollars. For B.N.A. material, numbers and values are from the current edition of the Unitrade Canada Specialized Catalogue and are in Canadian dollars, with appropriate premiums. When we catalogue a collection, we omit all obviously faulty, damaged, faked or forged stamps; our count of the stamps and catalogue value will be a conservative calculation. Owners sometimes catalogue every stamp or portion thereof, regardless of quality. We accept no responsibility for these valuations. Errors may occur nevertheless and (in spite of all our careful work) all collections are sold "as is".
10. **AGENTS BIDDING ON BEHALF OF OTHERS:** If you have complicated bids to be executed or wish an outside opinion as to the value and condition of a lot we shall be pleased to furnish a list of agents. If you instruct your agent to bid on the basis of our descriptions, we presume that they have inspected the lot and agree with our description in executing your bid. **Agents must register their bidders and obtain approval before our sales start.**
11. This sale is conducted by and for the account of R. Maresch & Son Auctions Limited.
12. THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF THESE TERMS OF SALE.
